Property Description

Step into a world where modern comfort blends effortlessly with wild tropical beauty. This property is a masterclass in laid-back luxury—high ceilings, airy living spaces, and walls of glass that dissolve the line between home and jungle. The main house welcomes you with two spacious bedrooms, each with its own sleek bathroom, while a cozy guest loft offers extra space for friends or a quiet hideaway. The kitchen—a cook's delight—boasts clean lines, top-tier appliances, and an island made for gatherings. Outside, the real adventure begins. A winding garden path leads past a shimmering pool, a crackling fire pit, and hidden spots to lounge under the trees. The river murmurs at the edge of the property, keeping the world at bay while monkeys and parrots provide the morning show. Minutes from Samara's surf and cafes, this is more than a home—it's a quiet rebellion against ordinary living.
