Property Description

Welcome to a dream property that combines two magnificent homes (Casa Sublime and Casa Obsession) with distinctive design and an unparalleled location. Just 600 meters up a gravel road from the main street, you will find the entrance to this exceptional estate. Strategically situated on a hilltop, the property offers a breathtaking 180-degree view stretching from Garza Beach across 90+ km of the coastline up to the end of Estuary of the Coyote Bay. The two houses are situated on different levels of the terrain, separated by a natural palm fence, ensuring absolute privacy while maintaining the concept of a cohesive vacation compound. Both homes are constructed with the highest quality materials, featuring strong anti-seismic foundations of cement and metal rods, providing both durability and peace of mind. Each house features an open-concept design in its interior spaces, creating a warm and elegant atmosphere.
