Property Description

Just Reduced from: \$1,300,000 - Motivated Seller! Welcome to Casa Turi-Uha with 1.24 acres of land perched on the front ridge of the Hills of Portalon community with panoramic ocean views. This is a 4 bedroom home with 3 full bathrooms, infinity pool, custom kitchen, 2 vehicle garage and landscaped with over 20 mature fruit bearing trees. As you enter the property via the automatic gated entry-way, you will be memorized by the National Geographic like views. The house sits 1,000 feet above sea level with incredible mountain views facing the East to enjoy the morning sun-rises and to the West you have Pacific ocean views with mesmerizing sunsets and views that stretch from Manuel Antonio National Park to the famous surf break of Dominical. The house was designed and completed in 2021 to capture the cool mountain breezes as they come off the coast and flow through the home to provide the perfect balance of cross ventilation & healthy living.
