Property Description

Check out the renderings of this luxurious modern 4 bed home. New build. This beautiful property is located in the upscale quiet residential neighborhood of Langosta. It is just a 3 minute walk to the gorgeous white sand and never ending Costa Rica sunsets. Tamarindo town and beach is just 5 minutes drive down the road, where you will find restaurants, banks, supermarkets and nightlife. This is a new build project. Currently the flat rectangular lot has approved construction plans. Construction will commence once a buyer is found, and construction time is 9-12 months. Payment terms are very fair, designed to protect the buyer's interests: 50% down (in order to transfer the lot deed & construction plans to the buyer) then remaining 50% paid in tranches against construction milestones. This will be a vacation rental income earning monster for the Buyer!
