Property Description

Discover an extraordinary opportunity to own a 595-hectare natural sanctuary in the pristine highlands of División, Pérez Zeledón—a rare gem that seamlessly blends biodiversity, sustainability, and breathtaking landscapes. A Protected Natural Treasure Enveloped by 85% primary forest, this property lies within the UNESCO-designated World Biosphere Reserve, ensuring both its protection and its global ecological significance. It serves as a refuge for countless species, offering pristine wilderness that few places on Earth can match. Source of Pure, Life-Giving Water This land is the birthplace of the División River, which forms part of one of the cleanest river systems in Central America. Its crystal-clear waters reflect the untouched purity of the region, making this property an unparalleled resource for conservation and sustainable living. Panoramic Views & High-Altitude Climate At an elevation of over 2,500 meters, the property offers cool, refreshing mountain air and stunning panoramic views of rolling valleys and mist-covered peaks.
